

April 2024

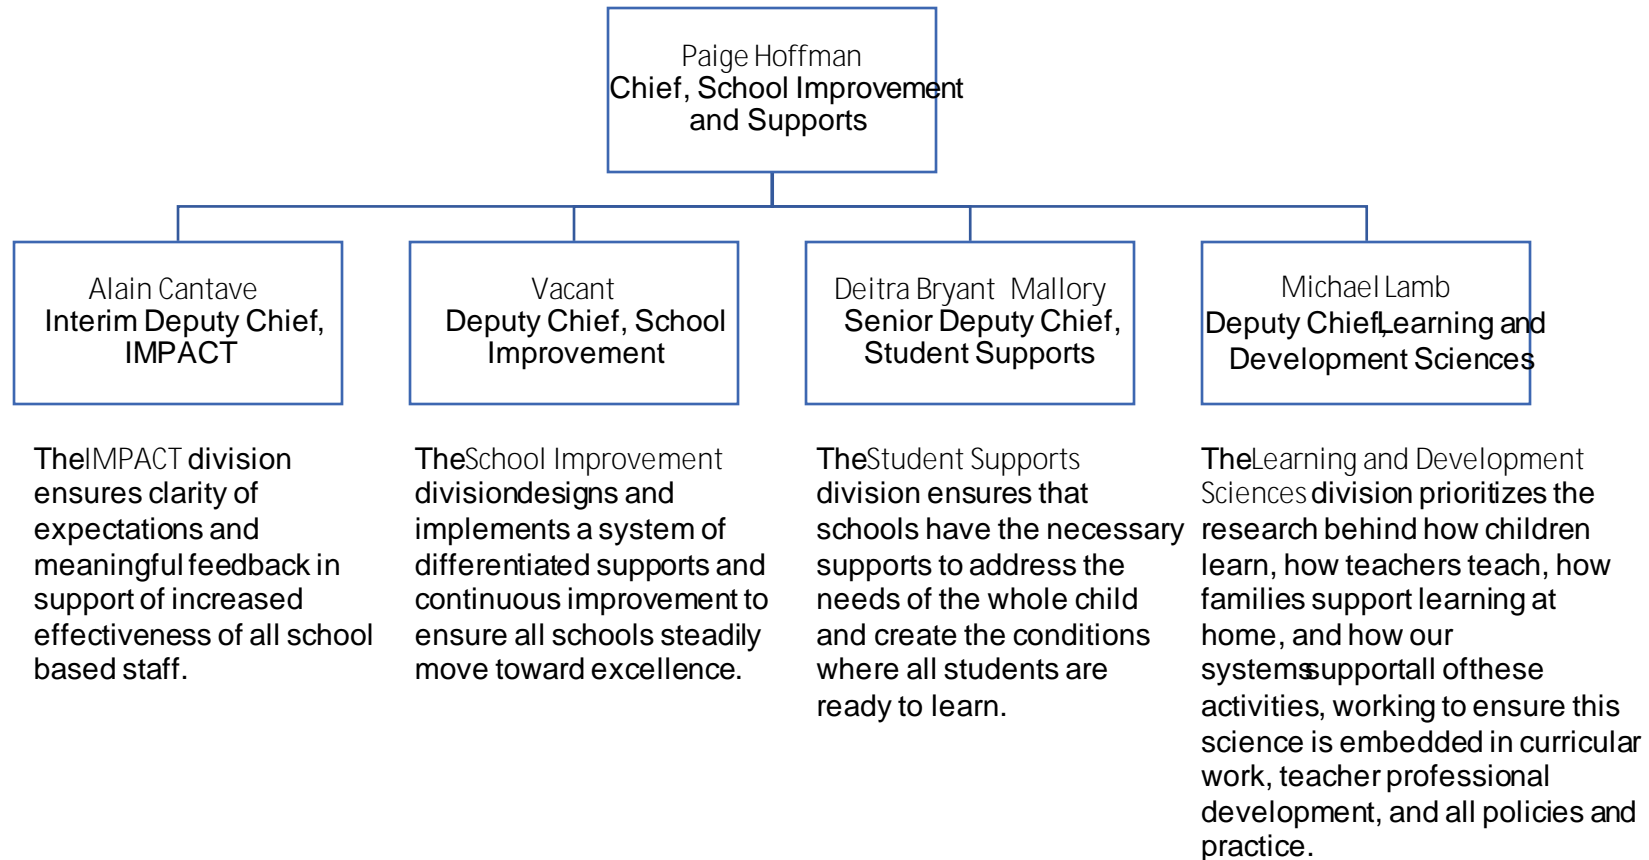

DCPS Cabinet

Office of the Deputy Chancellor Office of Social Emotional Academic Development

Office of School Improvement and Supports

Office of Teaching and Learning

Corie Colgan
Chief, Teaching and Learning

The Academic and Creative Empowerment division sets the vision for equity and excellence in developing and empowering the whole child to make creative, purposeful, and masterful use of academic content. The ACE division supports schools and develops curriculum and programming in arts, health, physical education, library programs, educational technology, STEM, global programs, advanced and enriched instruction, and curriculum and assessment innovation.

The Content and Curriculum division sets the vision for equity and excellence for each content area in DCPS schools by researching, creating, and curating curricular materials and providing aligned professional development experiences to ensure that all students have access to rigorous and joyful learning experiences every day in every content area.

The Extended Learning and Academic Recovery team oversees most of DCPS' K-2 summer school programs including enrichment and retention programs in alignment with the laws and regulations of the District of Columbia. Additionally, the team oversees the largest group of afterschool programs with the 21st Century Community Learning Centers grant and meets the needs of high potential students in grades K-5 through the Schoolwide Enrichment Model (SEM.)

The Language Acquisition team welcomes families of linguistically and culturally diverse backgrounds to DCPS, leads the process of identifying Multilingual Learner students, and supports schools in developing programs that support English language acquisition and academic growth.

The Professional Learning division sets a vision for professional development for DCPS as well as creates systems, tools, and structures to increase the efficacy of professional learning initiatives. This work includes LEAP, cluster-based PD, district PD and other learning opportunities. The team works across all DCPS offices to increase the cohesion of professional development and broad sharing of knowledge, while exploring new avenues and opportunities for meaningful development and learning for our educators.

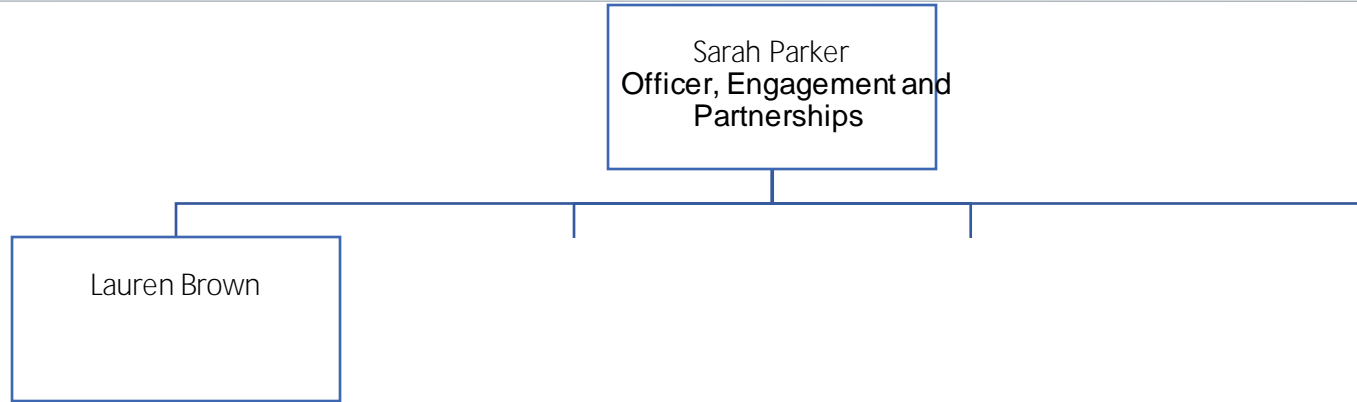

The Director of Strategy and Operations will help ensure the success of the Office of visibility workstreams through strategic planning, project monitoring, and the design of continuous improvement systems.

The Specialized Instruction division works to reduce the opportunity gap between students with IEPs and their non-disabled peers; and increases equity and excellence in schools through specific academic programming, related services, professional learning, school leadership development, family engagement, dispute resolution, and community partnerships.

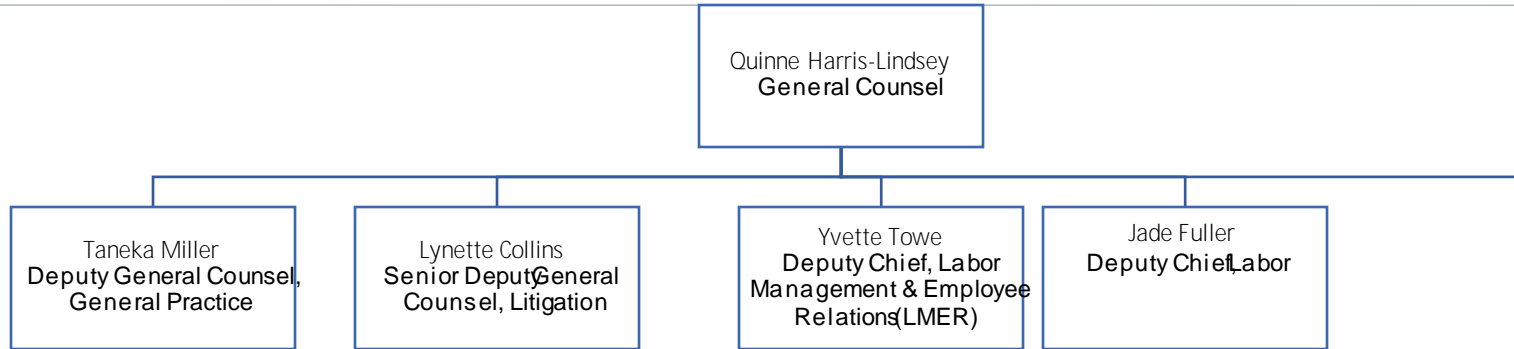

Office of the Chief of Staff

Office of Engagement and Partnerships

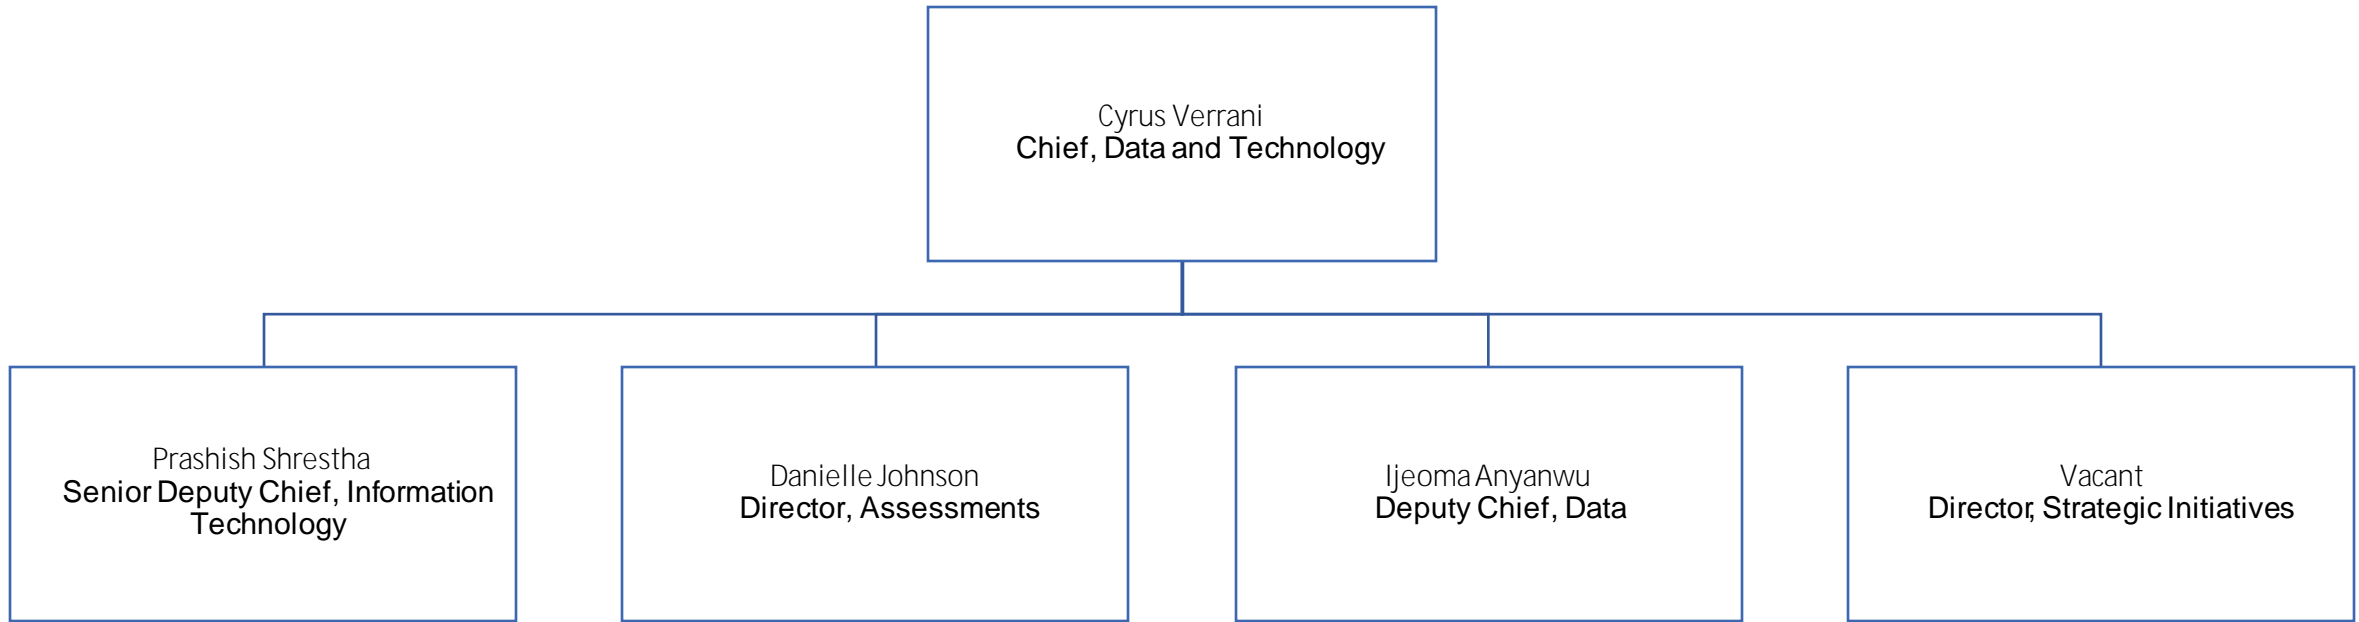

Office of the General Counsel

Office of Communications

Office of Data and Technology

The Information Technology team provides DCPS students and staff, in every school, with the infrastructure, systems and support to use technology effectively to accelerate student achievement.

The Assessments team leads the administration of all state required, summative assessments, and provides support, resources and processes to ensure test security and data integrity are maintained during assessments.

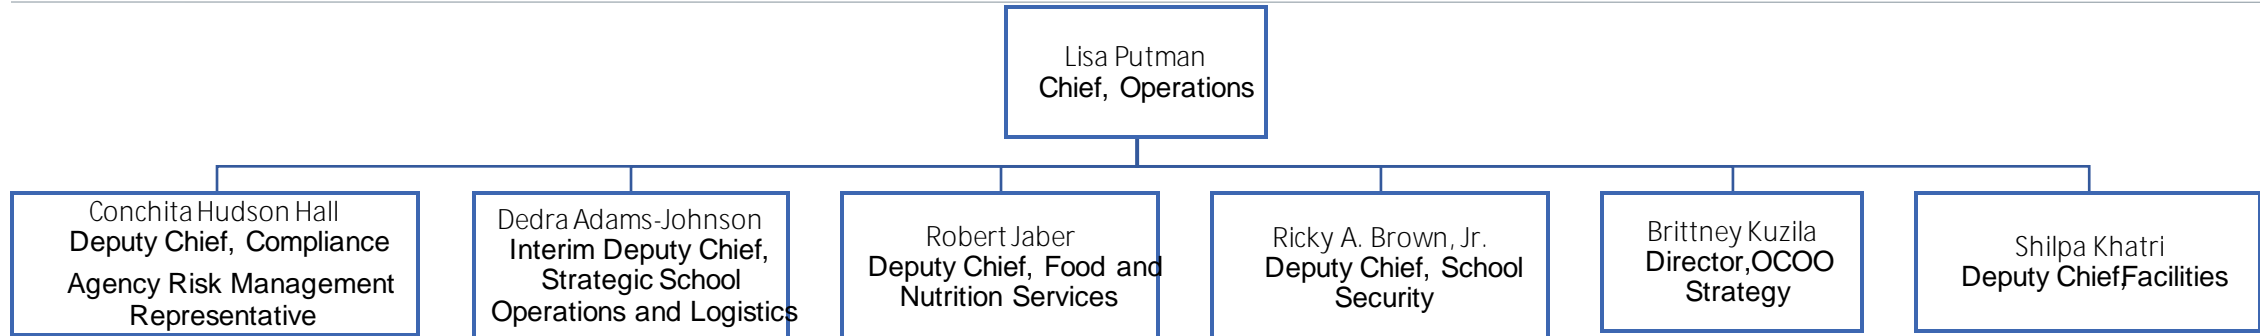

The Data team leads the strategic use of data in DC Public Schools by ensuring DCPS stakeholders have timely access to accurate and relevant data by

Office of Integrity

The Integrity division works with staff, students, parents, and the greater community to respond to questions and concerns around school policies and address complaints related to compliance with the law. The office conducts internal audits and reviews of DCPS systems and practices.

Office of Operations

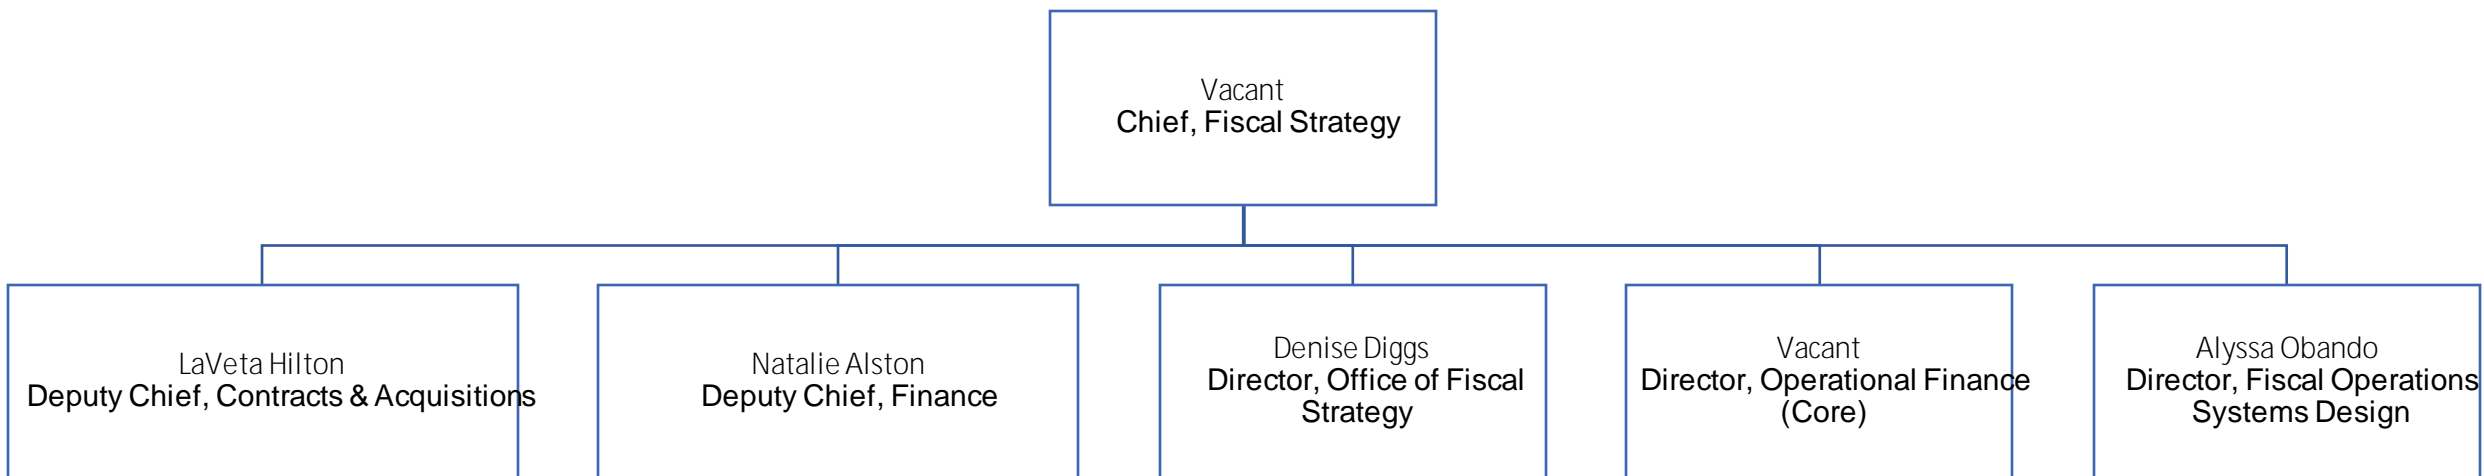

The Compliance division works with all schools and central departments to ensure that operations and programming are compliant with applicable DCPS, District, and federal laws; regulations; and policies. The Compliance division manages grievances and complaints filed by students, parents and third parties, except EEOC.

The Strategic School Operations division provides direct day-to-day support to all DCPS schools. Additionally, this division works closely with DC interagency partners, leads student record management, warehouse logistics and emergency response and guidance. This division also recruits and develops Directors and Managers, Strategy and Logistics in schools.

The Food and Nutrition Services division supports student health and achievement by ensuring that all DCPS students

Office of Fiscal Strategy

The Contracts and Acquisitions division supports schools and Central Office in purchasing to deliver on our mission of educating all children.

The Finance division ensures school and central office finances are allocated and strategic plan, in a manner that fosters transparency, maximizes funds, promotes equity, and ensures compliance with requirements.

The Director, Office of Fiscal Strategy leads internal stakeholder engagement to ensure consistent, efficient, and equitable budget management, procurement across DCPS offices and divisions, and works to streamline operations throughout the Office of Fiscal Strategy.

The Core Team works to improve organizational effectiveness and to ensure daily fiscal operations are managed efficiently across DCPS Central Services. Core Team provides oversight to ensure equitable, transparent, and compliant personnel and non-personnel spending through quality customer service.
